Glen Morris United Church Financial Reviewer's Report for 2021

We the undersigned, as Financial Reviewer's appointed by the Glen Morris United Church Congregation at the Annual General meeting of Feb. 13, 2021, examined the revenue and expenditures for the Operating Account and the Capital Account for the year 2021 along with the records of transfers and the status of any investments. We are satisfied that, on a cash basis (including the fact that interest on investments is not recorded until such time as the investment and/or interest is paid) the 2021 Financial Summary statements prepared by the Treasurer properly reflect the status of the Glen Morris United Church as of December 31, 2021.

Dated at Glen Morris this 18th day of May, 2022. It is noted that this financial review has been delayed due to the Covid 19 Pandemic.
